A Shadchan's Quick Follow-Up Checklist

Before moving on from a suggestion...

- [ ] Did I ask what the actual concern is?
- [ ] Did I clarify whether it's a dealbreaker or a preference?
- [ ] Did I offer additional information or references?
- [ ] Did I encourage them to take another 24 hours to think it over?
- [ ] Did I remind them what originally made the suggestion worth considering?
- [ ] Have I gathered enough information to rule this suggestion out?
- [ ] Did I leave the door open for reconsideration?

A Reminder for Every Shadchan

Many shidduchim happen because a shadchan made one extra phone call, asked one more question, or encouraged a family to take a second look.

You may never know which conversation turns a "no" into a simcha.
